

TECHNOLOGY NEVER STANDS STILL. AS AN IT RECRUITMENT SUPPLIER, NEITHER DO WE.

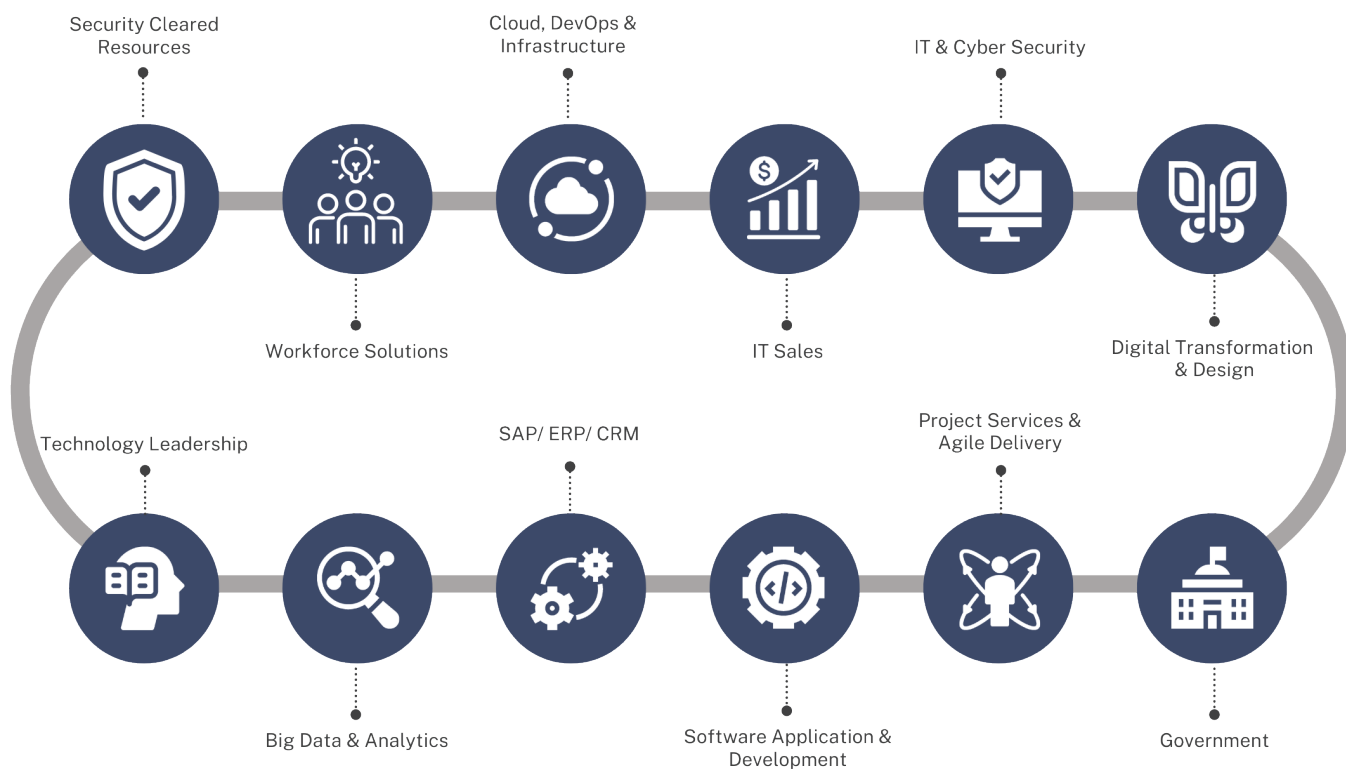

The Network is an IT recruitment company specialising in Emerging Technologies. Not only do we focus on recruiting for today's technology demands, but we also pro-actively research and develop talent pools, both locally and internationally, for tomorrow's technology demands.

The Network invest in our customer relationships. We partner with each customer facilitating a tailored end-to-end solution to meet their IT resourcing demands. We believe in creating long-term business relationships resulting in long-term partnerships, whereby we are the Trusted Advisors across our Commercial, State Government, Federal Government and Defence customers in Australia.

AREAS OF SPECIALISATION:

THE NETWORK VALUES

Our mission statement is: **People First, Outcomes Follow**. Our goal is to break the mould of traditional recruitment models. Our unique mission encompasses core recruitment values that The Network adhere to.

COLLABORATION

→ We work with you to provide professional and efficient recruitment services of the highest quality, offering confidential, trusted advice to both clients and candidates.

PASSION

→ We embrace the passion our consultants have about what we do. We are committed to making a difference to both candidate careers and our clients' businesses.

AUTHENTICITY

→ We guarantee honesty with all our clients and candidates, ensuring strong business morals are at the core of our recruitment processes.

INNOVATION

→ We evolve simultaneously with the IT industry, pushing ahead of our competitors who adopt more rigid recruitment frameworks.

Through embedding these core values in our recruitment processes, we are seen as a true value add to our partners, as we become an integral component in their IT businesses.
